University of Technology
P. O. Box 3406
Tehran, Iran

Dear Professor Tchamran:

Dr. Roger P. Wellinger, Director of IEEE Region 8, has forwarded to me your letter of December 31, 1969 with the petition requesting approval to establish an IRAN Section, with the territory of the new Section to encompass the entire country of Iran in Asia.

We are very pleased to advise you that, following approval by the entities involved, this new Section has been formally established on February 12, 1970.

To assist you in planning an organizational meeting for the election of officers, we are scheduling preparation of a set of envelopes addressed to all members residing in Iran for airmail shipment to you on February 27. As soon as the names of the Section officers are known, we will appreciate being advised so that this information can be recorded in Headquarters.

We are forwarding separately a Section Manual and a small supply of stationery. When Section officers are elected and the names announced to IEEE, additional supplies will be forwarded.

We want to assist you in any way we can in your efforts to get this new Section organized and hope you will let us know how we can help in this regard.

Sincerely,

Emily Sirjane, Manager
Membership Services
