Re: Milestone plaques

Dear Professor Shirakawa:

According to your request, I am now writing this letter to you. First of all, we would like to express our sincere thanks to you for your efforts to nominate our works of commercialization of Primary and Secondary Battery for the IEEE Milestone.

As to the disposition of Milestone, we would like to declare that when we have the honor of being awarded the IEEE Milestone, we will dispose it to the public at all the specified sites.

Sincerely,

Yoshihiko Yamada, President of Panasonic Corporation, Automotive & Industrial
Systems Company

Re: Milestone plaques

Dear Professor Shirakawa:

First of all, we would like to express our sincere thanks to you for your efforts to propose our works concerning the birth and growth of primary and secondary battery industries in Japan for the IEEE Milestone.

We would like to declare that when we have the honor of being awarded the IEEE Milestone, we will try to dispose the plaques to the public at all the specified sites.

Sincerely,

Shinji Tatsumi,Director of GS Yuasa International Ltd.
