THE AMERICAN INSTITUTE OF ELECTRICAL ENGINEERS

33 West 39th Street, New York

PERSONAL CLASSIFICATION SHEET

Read pages 2, 3 and 4 before filling out this blank

Please return this sheet with your data, even if you have filled out similar blanks for other organizations

Name in full Stevens, John Franklin Date Nov. 7 1917

Mail address 1328 Chestnut St. Philadelphia Walnut Penna.

Telegraph address Telephone No. 3068 Married? Yes Dependents? No

Occupation or position Consulting Electrical Engineer

Name of employer

Location 1328 Chestnut St., Philadelphia, Pa.

Kind of business

Birth: Year 1870 Country U. S. When naturalized?

Citizen of what country? United States

Physical condition Fair

Education Common School High School College U. of Penna. Course Science Year graduated 1890 Degree B. S. and M. E.

Member of what engineering and technical societies? Fellow A. I. E. E.

What foreign languages do you speak? French Fluently? No Read Yes

In what countries have you resided and what years? United States, 1870 to date

In what countries traveled extensively? United States, Europe and Central America

What military or naval training? None

Are you in active service or reserve? No Rank? None

Member of what war committees? Engineers' Club of Philadelphia.

Please review carefully pages 2, 3 and 4, and enter in the following spaces brief descriptions and symbols of the leading specialties in which you have had considerable experience.

Table with 2 columns: Specialties in which you have had greatest experience and Symbols of Specialties. Rows include Electrical Measuring and Testing Apparatus, General Executive, Consulting Engineer, and Other Specialties.

# INDUSTRIAL AND PROFESSIONAL EXPERIENCE

Check (✓) each division in which you have had sufficient experience to be of service. Use blank spaces as needed.

## A BRANCHES OF ENGINEERING.

- |                           |                          |                             |                                    |
|---------------------------|--------------------------|-----------------------------|------------------------------------|
| 1 Aeronautics             | 10 Hydraulic             | 19 Military                 | 28 Railroad                        |
| 2 Automotive              | ✓ 11 Illuminating        | 20 Mining                   | 29 Safety, Fire Prevention         |
| 3 Architecture            | 12 Marine                | 21 Municipal                | 30 Telegraph, Telephone (see E1-6) |
| 4 Ballistics              | 13 Mathematics           | 22 Naval Architecture       |                                    |
| 5 Chemical                | ✓ 14 Mechanical          | 23 Navigation               | 31 Welfare Work                    |
| 6 Civil                   | 15 Metallurgy            | 24 Patent Law               |                                    |
| ✓ 7 Electrical            | 16 Metallography         | 25 Power                    |                                    |
| 8 Gas                     | 17 Machine Shop Practice | ✓ 26 Public Utility Service | 32                                 |
| 9 Heating and Ventilating | 18 Mill (Textile, etc.)  | 27 Physics                  |                                    |

## B POSITIONS HELD IN "A".

Check the most important positions you have held, and follow by number of the branch checked under "A."

For example, a consulting heating and ventilating engineer should mark the list below as follows:

"✓ 2 Consulting Engineer A 9."

- |  |                            |                           |                     |
|--|----------------------------|---------------------------|---------------------|
| ✓ 1 Appraiser                          | ✓ 8 Erecting Engineer      | 17 Operating Engineer     | 28 Teacher          |
| ✓ 2 Consulting Engineer A 7            | ✓ 9 Estimator              | 18 Organizing Engineer    | 29 Testing Engineer |
| 3 Constructing Engineer                | ✓ 10 Executive, general    | 19 Production Engineer    | 30 Works Manager    |
| 4 Contractor                           | 10a Foreman                | 20 Publicity Engineer     | ✓ 31 Writer         |
| 4a Department Manager                  | 11 Industrial Engineer     | 21 Purchasing Agent       |                     |
| ✓ 5 Designer of Apparatus or Machinery | 12 Inspector               | 22 Rate Setter            |                     |
| ✓ 5a Designer of Plant                 | ✓ 13 Laboratory Chief      | ✓ 23 Research Engineer    | 32                  |
| 5b Economist                           | ✓ 13a Laboratory Assistant | 24 Sales Engineer         |                     |
| ✓ 6 Draftsman                          | ✓ 14 Manufacturer          | 25 Sales Manager          |                     |
| 7 Editor                               | ✓ 15 Master Mechanic       | 26 Specification Engineer |                     |
|  | ✓ 16 Office Executive      | 27 Superintendent         | 33                  |

## RECORD OF EXPERIENCE.

Please give below an account of your engineering and technical experience, bringing out in particular any line in which you are especially proficient.

Give approximate dates of your experience in each case—*this is most important.*

- 1891 to 1893 John S. Stevens & Sons, Structural Steel, Plant Engineer and Structural Engineer.
- 1893 to 1895 La Roche Electric Works, Sec. & Treas., in charge of accounting and factory production.
- 1893 to 1911 Keystone Electrical Instrument Co., Owner, Designer, Chief Engineer and General Executive.
- 1898 to 1900 American Electric Meter Co., Vice President and Consulting Engineer.
- 1902 to 1913 Steward & Stevens Iron Works, General Executive, Mem- of firm in charge of finances.
- 1911 to date Consulting Electrical Engineer.

B2 A7 Consult. Engr. (11- date)

B16 A14 Gen. Copentini / Steward & Stevens Iron Works (11 yrs.)

B5 A7 Elec. Design

B19 A14 Factory Production

Continue on a separate sheet if necessary.
