F. L. Hutchinson, Esq., Secretary
American Institute of Electrical Engineers
29 West 39th Street
New York City

Dear Mr. Hutchinson:-

I am returning herewith your favor of May 21st from the Keenan Engineering Company. We have such information in our files but it would cost us at least the membership fee to get it out and I do not see why we should be bothered to do that for a company which does not care to come into our membership. Moreover the information might be needed for a municipal plant and as you know, we have nothing to do with plants of that kind.

Yours truly,

T. Quattre

Secretary.
