Subject: Permission to Place IEEE Milestone Plaque on "First Real-Time Speech Communication on Packet Networks" (docket number 2010-09) on MIT Lincoln Laboratory Property

To whom it may concern:

This letter, which is submitted as part of the nomination material for the IEEE Milestone "First Real-Time Speech Communication on Packet Networks" (docket number 2010-09), gives permission to place the proposed IEEE milestone plaque on the site of MIT Lincoln Laboratory, 244 Wood Street, Lexington, MA. It is understood that the plaque will be cast bronze, approximate 24 inches by 20 inches, and will include an engraved citation describing the milestone achievement. It is also understood that the plaque needs to be mounted in a place which is accessible to the public. Therefore, it is expected that the plaque location will be in the entrance lobby of Lincoln Laboratory.

Sincerely,

Eric D. Evans  
Director
