MR. H. H. HENLINE, Secretary,

My dear Mr. Henline:

A letter just received from Dr. A. P. M. Fleming, Director and Director of Research of Metropolitan-Vickers Electrical Company, Ltd., of England, asks that I act as one of his references in connection with his desire to be transferred from the membership to the fellowship grade in the Institute. I have just written Dr. Fleming telling him that I would be delighted to have him use my name in this connection and this letter is just to advise that when the formal request comes through I will be most happy to give the Committee information in support of the very substantial reasons which I think exist for having Dr. Fleming as one of our Fellows.

With kind personal regards, I am, as ever

Yours sincerely,

F. B. Jewett
