Dear Mr. Rich:

We are pleased to advise you that on January 10, 1951, the Board of Directors approved the establishment of the Phoenix Section of the Institute of Radio Engineers, to include the State of Arizona.

As soon as you have elected officers, we would like to have their names and addresses for our records and for the listing of your Section in the PROCEEDINGS.

A supply of Section material, including stationery, meeting notice signs, and application blanks is being forwarded to you.

The Board of Directors and the National Headquarters are constantly seeking ways and means by which they can improve their service to the members. I sincerely hope that you will get in touch with Headquarters, and your Section officers, and your Regional Director about any problems that come to your attention.

Very truly yours,

Allen M. Crelgton
