Dear Andy,

Enclosed are the original copies of all correspondence which have been received and also copies of letters which I have written concerning the establishment of the Boise Section which formerly was the Southern Idaho Subsection of the Idaho Section.

The original petition for this group was sent to you with my letter of October 26th, 1962.

All this material is for the files at Headquarters.

Very truly yours,

THE IDAHO SECTIONS, AND THE BOISE SECTION

The petition of the Boise Section which formerly was the Southern Idaho Subsection of the Idaho Section has been approved and the effective date of organization is November 1st, 1962. The new Boise Section Officers are:

Mr. B. R. Russell, Chairman
1117 Cameron
Boise, Idaho

Mr. L. J. Schmitt, Secretary
2610 Weaver Circle
Boise, Idaho

The Idaho Counties of Adams, Washington, Payette, Gem, Canyon, Ada, Owyhee, Boise, Idaho, Valley, Elmore, Camas, Jerome, Twin Falls, Cassia, Lincoln, Minidoka, Blaine and Gooding have been assigned to the new Boise Section.

All Institute records of the District, Sections, Branches and Members concerned should be changed accordingly.

Dear Mr. Brem:

Having received a copy of Mr. Maxwell's (Idaho Section, Secretary) letter to you of November 9, 1962 and not wishing to hold this matter up unduly in view of the late date, I wish to record the following:

1. The Vice President of District Nine herewith approves the petition for Section status as made by the Southern Idaho Subsection with headquarters at Boise, Idaho. It is recommended that such status be granted.

2. In view of the apparent complete agreement between the two Idaho groups with regard to division of territory, I recommend that their suggested territorial assignments be approved. No conflict exists between the new territorial assignments and the 9 Idaho counties assigned to the Spokane Section, nor do I foresee any problems related thereto after merger.

3. As of October 2, 1962 we received the following list of officers and committeemen for the Southern Idaho Subsection: (These officers will continue to serve after Section status is granted.)

Chairman
Vice Chairman
Secretary-Treasurer
Member-at-Large
- D. R. Russell
- D. L. Andrews
- L. J. Schmitt
- L. E. Garlinghouse
- M. E. Byrne
- P. W. Worthen
- D. H. Forte

Committee Chairmen:

- M. E. Byrne
Committee Chairmen (Cont'd.):

- Transfers: G. J. Hall
- Student Activity: J. G. Hannum
- Prize Papers: G. W. Miller
- Management: P. W. Worthen

4. I would suggest that the date of organization of the new Section be November 1, 1962.

SUBJECT: Formulation of a Section from the Boise Sub-Section of the Idaho Section of AIEE

Dear Mr. Carlberg:

Enclosed herewith is the petition for section status, from the Boise Sub-Section. As we discussed at the district meeting, it is the recommendation of the Idaho Section that the Status of Section be granted the Boise Sub-Section. The reasons are largely of a geography nature plus their desire to be a self-governed organization.

Your immediate attention is warranted since it is important that the status be made this year.

I am sure you understand our problem and do hope that the Status of Section will be granted to the Boise Sub-Section.

Yours truly,

Dear Hank:

I have been following the correspondence on the Boise Subsection petition for Section status. Mr. Brem's letter of October 26, 1962 to you brings up a few questions.

Not having seen the petition itself I do not know if the Idaho Falls group has officially approved the action or the recommended boundary division. Will you kindly clarify the above points and let me know so that I can give Mr. Brem the Vice President's approval. He has also asked for the official date of the new Section's organization, and names and addresses of chairman and secretary.

Regarding Mr. Brem's question concerning the order of this petition's consideration by the District Executive Committee, there is the following explanation. At our October 5 meeting the Idaho Section representatives informed the meeting that they were planning to prepare a petition for change of the Boise group to Section status. It was the consensus of the committee that they should go ahead and that should all required conditions be met as to size and agreement in territory boundaries, the Executive Committee would recommend the change to headquarters.

Dear Mr. Carlberg,

We were pleased to receive your letter of October 22nd indicating that the Boise Section is to be formed from the previous Southern Idaho Subsection and also become a full Section after being a Subsection of the Idaho Section. However there are a few details to be furnished before final approval can be given. A copy of the established procedure is attached for your guidance. Step A is completed all right but Step B is incomplete since we do not have any official letter from Idaho Section giving their approval of the proposed formation and agreeing to the transfer of the territory of the new Section.

For Step C you have given us your approval but at this time we also need a formal approval from Mr. Greenfield, Vice-President. By copy of this letter we are asking for his official approval. We would also like to have Mr. Greenfield determine the date of organization of the new Section as well as the names and addresses of the chairman and secretary of the new Section. We need these details squared away so that there will be no delay in Step E in which you assist. So that there will be no delay in my final approval of the Boise Section, the original petition is being sent with Mr. J. J. Anderson's copy of this letter. I am asking
him to check to see that all the members listed are in good standing. After receipt of all the above details, I will send out the official notification of the new Boise Section.

You mentioned in your letter that the petition was favorably considered by the District Executive Committee Meeting on October 5th but note the petitions are dated October 10th. Usually the petition precedes the approval by the parent body and I am wondering why this procedure. All in all the petition is moving along and I await further word from each of the above so that our files will be in order. Your usual fine cooperation is appreciated.

Dear Mr. Brems:

Petition for Section Status
Boise Subsection

Enclosed is a petition of the Boise Subsection for their charter as a Section. This petition is endorsed by the Idaho Section and was favorably considered by the District Executive Committee at their meeting on October 5, 1962.

The petition appears to be in order with signatures of 60 members residing in the proposed territory. Assuming all are members in good standing which headquarters will check, the petition has my approval.

As you may know, the Idaho Section has for several years functioned as two subsections, one centered in Boise and the other centered at Idaho Falls. The section operating responsibility has alternately rotated between these two locations each year. The Idaho Falls area is, this year, the Idaho Section and will retain this status upon final approval of the Boise petition submitted herewith. The Idaho Falls area is the center of the AEC's Idaho Falls Testing Station and, upon completion of the IRE - AIEE merger, will show an increase in size by virtue of the significant number of IRE members active in that area. The Boise area membership, after the merger, will be primarily AIEE members.

All things considered, the Boise petition is a timely one. We urge rapid processing so that its charter can be presented during this administrative year and, if possible, before the end of this calendar year.

Very truly yours,

Hi Andy!
How does that one look? Regards
X. Procedure for the establishment of a new Section

The step-by-step procedure for the establishment of a new Section is as follows:

A. Formation of a new Section requires approval of a petition, signed by not less than fifty (50) AIEE members residing within the proposed Section territory. The petition is to be presented on Form No. 250, which can be secured from Headquarters. The territory to be assigned to the proposed Section shall be defined by counties and usually is the territory previously allocated to the Subsection seeking full Section status.

B. The petition is then submitted to the Section having the territory within its jurisdiction. The parent Section, in addition to approving the formation of this new Section, must also agree to the transfer of the territory to the new Section.

C. Establishment of the Section must then receive approval, in turn, from the District Representative of the Sections Committee, the District Vice-President and the Chairman of the Sections Committee.

D. The Chairman of the Sections Committee will notify Headquarters and all other interested persons of the final approval of the formation of the Section, the official name, the date of organization (first of month) as determined by the District Vice-President, and the names and addresses of the Chairman and Secretary of the new Section.

E. The District Representative of the Sections Committee assists in this step-by-step procedure and follows through in obtaining the necessary approvals. He forwards the petition and original copies of all correspondence regarding the petition to the Chairman of the Sections Committee. He also obtains the official name, organization date and the names and addresses of the officers of this new Section if not included in the correspondence.

F. On receipt of the petition, the Chairman of the Sections Committee will forward it to Headquarters to determine if all signers are members in good standing in the Institute. After the official notification is sent out, the Chairman of the Sections Committee will forward all original copies of correspondence regarding the petition to Headquarters for their files.

XI. Procedure for the establishment of a new Subsection

The step-by-step procedure for the establishment of a new Subsection is as follows:

A. Formation of a new Subsection requires approval of a petition, signed by not less than fifteen (15) AIEE members residing within the proposed Subsection territory. A printed form of petition is not available, so the petition is generally typed on a letter size piece of paper with this typical wording: "We, the undersigned members of the American Institute of Electrical Engineers, hereby petition the_______ Section for permission to establish a Subsection in the_______ area, to be known as the_______ Subsection." The territory to be allocated to the proposed Subsection shall be defined by counties.
To Secretary,
American Institute of Electrical Engineers,

We, the undersigned Corporate Members (Fellows, Members and Associate Members) of the American Institute of Electrical Engineers, hereby petition for the establishment of a Section, to be known as the

Boise Section, and to have assigned to it the following territory:

Counties of the State of Idaho consisting of Adams, Washington, Payette, Gem, Canyon, Ada, Owyhee, Boise, Idaho, Valley, Elmore, Camas, Jerome, Twin Falls, Cassia, Lincoln, Minidoka, Blaine and Gooding. This being the area now covered by Southern Idaho Subsection.

(List territory by counties in each State unless an entire State is included.)

B40. A petition for the formation of a Section shall be signed, on a form provided by Institute Headquarters, by not less than 50 members residing within the territorial limits hereinafter prescribed. The Board of Directors may decline to authorize the formation of a Section when in its judgment such an organization would not be compatible with the interests of the Institute.

B41. In the initial Section organization only petitioners shall have the right to vote.

B45. The territory of a Section shall be defined, wherever practical, by county line boundaries. Territorial assignments for the establishment of new Sections or reassignment of Section territories shall be subject to the concurrence of the Sections and Vice-Presidents involved, and the Sections Committee.

B49. A Section whose membership has become 30 or less as of August first, or a Section which shall have held less than four meetings in any fiscal year (May 1 through April 30), shall be formally advised by the Secretary that, if within the next year this situation has not been materially improved, such Section shall become a Subsection (or Division), effective October 1. The Vice-President of the District shall recommend to the Sections Committee the Section to which the Subsection (or Division) shall be assigned.

The Board of Directors may at any time terminate the existence of any Section when in its judgment the interests of the Institute make such action desirable.

The Board of Directors may decline to authorize the formation of a Section when in its judgment such an organization would not be compatible with the interests of the Institute.

B41. In the initial Section organization only petitioners shall have the right to vote.

B45. The territory of a Section shall be defined, wherever practical, by county line boundaries. Territorial assignments for the establishment of new Sections or reassignment of Section territories shall be subject to the concurrence of the Sections and Vice-Presidents involved, and the Sections Committee.

B49. A Section whose membership has become 30 or less as of August first, or a Section which shall have held less than four meetings in any fiscal year (May 1 through April 30), shall be formally advised by the Secretary that, if within the next year this situation has not been materially improved, such Section shall become a Subsection (or Division), effective October 1. The Vice-President of the District shall recommend to the Sections Committee the Section to which the Subsection (or Division) shall be assigned.

The Board of Directors may at any time terminate the existence of any Section when in its judgment the interests of the Institute make such action desirable.

## CONSTITUTION AND BY LAWS ON FIRST SHEET

### PLEASE READ EXTRACTS FROM AIEE CONSTITUTION AND BY LAWS ON FIRST SHEET
To Secretary,
American Institute of Electrical Engineers,

We, the undersigned Corporate Members (Fellows, Members and Associate Members) of the American Institute of Electrical Engineers, hereby petition for the establishment of a Section, to be known as the

Boise Section, and to have assigned to it the following territory:

Counties of the State of Idaho consisting of Adams, Washington, Payette, Gem, Canyon, Ada, Owyhee, Boise, Idaho, Valley, Elmore, Camas, Jerome, Twin Falls, Cassia, Lincoln, Minidoka, Blaine and Gooding. This being the area now covered by Southern Idaho Subsection.

(List territory by counties in each State unless an entire State is included.)

EXTRACTS FROM AIEE CONSTITUTION AND BYLAWS

Constitution

C56. Whenever, in the judgment of the Board of Directors, a sufficient number of Fellows, Members and Associate Members shall petition, in writing, these members may form, subject to the Constitution and all By-laws and regulations which may be hereafter prescribed by the Board of Directors, a Section organization for the purpose of more effectually carrying out the aims of the Institute.

C63. Any Section may adopt for its own government such By-laws to be known as "Section By-laws" as it may find expedient, provided that no provision thereof shall be incompatible with the Constitution or the By-laws of the Institute.

Bylaws

B40. A petition for the formation of a Section shall be signed, on a form provided by Institute Headquarters, by not less than 50 members residing within the territorial limits hereinafter prescribed. The Board of Directors may decline to authorize the formation of a Section when in its judgment such an organization would not be compatible with the interests of the Institute.

B41. In the initial Section organization only petitioners shall have the right to vote.

B45. The territory of a Section shall be defined, wherever practical, by county line boundaries. Territorial assignments for the establishment of new Sections or reassignment of Section territories shall be subject to the concurrence of the Sections and Vice-Presidents involved, and the Sections Committee.

B49. A Section whose membership has become 30 or less as of August first, or a Section which shall have held less than four meetings in any fiscal year (May 1 through April 30), shall be formally advised by the Secretary that, if within the next year this situation has not been materially improved, such Section shall become a Subsection (or Division), effective October 1. The Vice-President of the District shall recommend to the Sections Committee the Section to which the Subsection (or Division) shall be assigned.

The Board of Directors may at any time terminate the existence of any Section when in its judgment the interests of the Institute make such action desirable.

Dear Mr. Brem:

Enclosed is a copy of the cover letter that Mr. Hyndman sent with the Boise subsection petition when he forwarded it to Mr. Carlberg. I note that he did not specifically approve their proposed territory; however, he meant to as we are in agreement with it.

If you desire any further information Mr. Hyndman's address is 562 Starlite Avenue; Idaho Falls, Idaho.

Sincerely yours,

John E. Maxwell, Secretary

SUBJECT: Formulation of a Section from the Boise Sub-Section of the Idaho Section of AIEE

Dear Mr. Carlberg:

Enclosed herewith is the petition for section status, from the Boise Sub-Section. As we discussed at the district meeting, it is the recommendation of the Idaho Section that the Status of Section be granted the Boise Sub-Section. The reasons are largely of a geography nature, plus their desire to be a self-governed organization.

Your immediate attention is warranted since it is important that the status be made this year.

I am sure you understand our problem and do hope that the Status of Section will be granted to the Boise Sub-Section.

Yours truly,

TO CHANGE THE STATUS OF AN EXISTING CHAPTER

The status of an existing Chapter may be changed from single to joint, or vice-versa, or from one joint combination to another without submission of a petition. The change in status will become effective following approval of the change by the Regional Director, the Society Presidents and the involved Section Executive Committee(s).

1. A written request, with full details on the proposed change in Chapter status, shall be submitted by the Section Executive Committee. This request should include the name and address of the Organizer of the restructured Chapter who will act as its Chairman, and be sent to:

   IEEE REGIONAL ACTIVITIES
   Section/Chapter Support
   445 Hoes Lane
   P.O. Box 1331
   Piscataway, New Jersey 08855-1331
   ATTN: Peggy Walsh

2. Action will be taken by Regional Activities staff to obtain approval of the change in status by those concerned.

3. When the necessary approvals have been received, the Section Chairman, the Chapter Organizer, the Regional Director and the Presidents of the Societies concerned will be notified.

4. The Chapter formation will be noted in the Report of the Staff Director at the next meeting of the Regional Activities Board.
