LEHIGH 8-8100

October 31, 1955

President M. D. Hooven
American Institute of Electrical Engineers
33 West 39th Street
New York 18, New York

Dear Morris:

President-Elect Loughren has indicated that Friday, January 6, is satisfactory to him for our joint luncheon. May I invite you to be a guest of the IRE on that occasion? Since I will be staying at the Biltmore and this location might be convenient to both you and Art, may I suggest meeting under the clock at about 12:30?

Sincerely yours,

J. D. Ryder
President
