Mr. Henry G. Stott,
Crawford House,
White Mountains, N.H.

Dear Mr. Stott:

Will you please send me, or let me know where I can find, immediately, the photograph which is to be inserted as a frontispiece in part 1 of volume XXVII. The binder telephoned me yesterday morning that the lack of this frontispiece is delaying the delivery of the Transactions, ~~so~~ I am compelled to break in on your vacation so that the work on parts 1 and 2 of volume XXVII will not overlap at the binders. As it will take a week or ten days to make the halftone cut, print the frontispieces and insert them in the volume, I shall appreciate it very much if you will let me have a reply by return mail.

With kindest regards to Mrs. Stott.

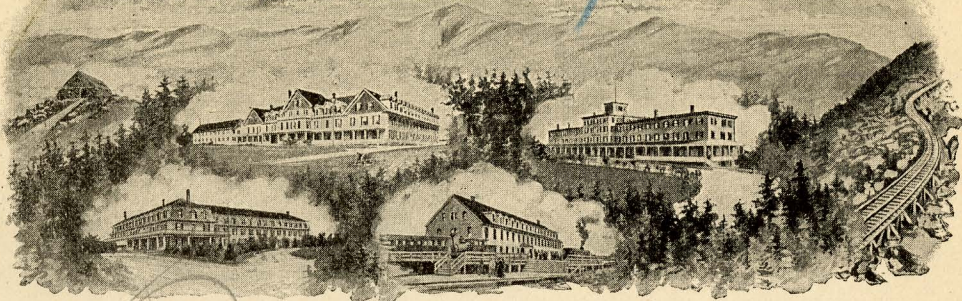

Very truly yours,

Editor.

Mr. W. Mandlaw;

I am sorry that I was unable to get the photo. for you before leaving N. Y. but I called at the photographer & found that they had no proofs of the various plates so they promised to have them ready for me on Saturday but unfortunately I was taken ill & was unable to be out on Friday, Sat. or Sunday so that on Monday I had my hands full trying to get things cleaned up. However if you will call at Marsden's Fifth Ave & pick out

a proof & then tell them to have one developed & printed for you charging the same to my a/c, that will be the quickest way out of the difficulty.

If there was sufficient time I would prefer to pick out the proof myself but I presume you cannot wait any longer. With regards,

I remain

yours sincerely
