Mr. F. L. Hutchinson, National Secretary,  
American Institute of Electrical Engineers,  
29 West 39th Street,  
New York City.

Dear Mr. Hutchinson:

After the meeting last evening, the stenographer  
asked me for my paper but I withheld it in order to  
make a few minor corrections.

I am now sending it to you but have not had it re-  
written as I assume that it will serve your purpose as  
it stands.

Sincerely yours,

*Lewis B. Stillwell*
