*Announcement:* National Engineers Week  
Dinner Meeting

Thursday, Feb. 13, 1997

*Subject:* Crane & Company, Makers of Money

*Time:* Cocktails: 6:15  
Dinner: 7:00  
Speaker: 8:00

*Speaker:* Steven Sears

*Place:* Giovanni's  
1331 North St.  
Pittsfield.

Steven Sears is the Director of Engineering and Environmental Services at Crane & Company. He grew up in Dalton, attended the Central Berkshire Regional Schools and graduated from UMASS - Amherst with a degree in Mechanical Engineering. He worked for Crane part-time from '77 till '84; full time from '84 till now. Steven went out west after graduation from college, to teach skiing and work on machine maintenance. He then returned to Dalton and worked in the plastics industry in '83 & '84 as Project Chemist. Then he went full-time with Crane in the Engineering Department, on a special project on Machine Vision. Next he was Manager of Process Control and now, Director of Engineering and Environmental Services.

Steven will tell us about Crane & Company -- What it is and What it does; How Electrical Engineering Relates, and then he will speak about current events (what we've been hearing about the export of manufacturing capabilities for paper money) and will field questions from all of us. Note! ----> (See the overside!)

National Engineers' Week (February 16 - 22) is just ahead of us. This banquet will be on the Thursday just before N.E.W., and already we will have been celebrating, with presentations in the schools and over Community Access TV during the week preceding N.E.W., through N.E.W., and the week following. If you would like to help by talking to some science classes in the schools and/or presenting videos,\* let us know right away. Call 684-0735.

\*Here is the list of videos that we have: "The Challenge" (a kid's introduction to engineering), "Engineering is for Everyone", "Newton's Apple Salutes Engineers", "Engineers: Turning Ideas into Reality", "Who Are Engineers? You?", "Bikes! Art, Elegance, and Engineering", and "1997 National Engineers' Week Promotional." We have presentation guides for some of these. Also, we have some leaflets and bookmarks to handout to students.

-----

We plan to have the Proclamation signing ceremony at the Mayor's office on Friday, February 14, at noon. If you would like to be there and be a part of this, please let us know. Call 684-0735.
