AIEE - Central Illinois Section

The Executive Committee met at Decatur on July 5, 1955 and made appointments of all committee chairmen. As of this week, the selection of members for all committees is complete.

At the July 5 meeting, a schedule of meetings for the 1955-56 year was drawn as follows:

Dec. 13	Regular Meeting	Decatur
Jan. 17	Dinner Meeting	Springfield
Feb. 21	Regular Meeting	Decatur
Mar. 20	Regular Meeting	Springfield
April 17	Regular Meeting	Decatur

The Program Committee held a meeting in Decatur on August 8, and made definite or tentative plans on details for all Section meetings, conforming to the policy of making regular Section Meetings of more general interest to the membership, and present technical subjects under the program of the Technical Groups Committee.

To better liaison with the Student Branch at the University of Illinois, the Executive Committee voted to appoint the Student Branch Chairman as an ex-officio member of the Executive Committee, and appoint the Student Branch Vice Chairman as a member of the Program Committee.

It was agreed printing of the programs would be the duty of the Publicity Committee, based on information supplied by the Program Committee.

Mr. Wendell Kelley agreed to be Chairman of a Special Committee to revise the By-Laws.

It was agreed that Section finances, possible increase in Local Membership dues, and reconsideration of accounting reports would be reviewed at the next Executive Committee meeting, to be held late in August 1955. It was agreed that an attempt would be made to hold regular Executive Committee meetings before each of the Section meetings on October 18, February 21 and April 17.

Copies of this report and committee appointments are being sent to each Chairman to pass on to committee members.
