SUBJECT

IEEE VANCOUVER SECTION

IEEE REGION VII

DATE

7/11/63

Please note that the IRE Vancouver Section (part) and the AIEE
Vancouver Section have merged to form the

IEEE VANCOUVER SECTION

The territory of the IEEE Vancouver Section will encompass the following:

The Province of British Columbia, Canada except
Vancouver Island

Kindly code all plates for members in the above territory in the AIEE and
IRE membership files accordingly for the IEEE VANCOUVER SECTION,
Keeping the AIEE and IRE plates separate as currently being maintained.

Please prepare a set of 3x5 cards on all plates which have been changed
and forward to the Membership Department for appropriate action.

SECTION CHAIRMEN DURING PAST 30 YEARS

An effort was made shortly before press time to research Vancouver Section records covering IEEE, AIEE and IRE chapters in order to honour our senior officebearers of the recent past in this year's CONTACT Annual.

Difficulties met with during this apparently simple task have provided a foretaste of the magnitude of the role accepted by our newly-appointed Section Historian, who is to undertake this function later this year.

Herewith then, a partial honour roll with apologies for errors and omissions:

THEY SERVED US WELL
ARTICLE 4 - MEETINGS

4.1 Meetings of the Section shall be held regularly. The dates of which such meetings are held shall be selected by the Executive Committee. The Annual Meeting to conclude the season's business and elect new officers is to be held on a convenient day in the spring of each year.

4.2 The rules of order shall be those outlined by Roberts insofar as they do not conflict with any provision of the Institute's Constitution, By-Laws or these By-Laws.

ARTICLE 5 - ELECTIONS

5.1 Nominations for the officers to be elected shall be made by the Nominating Committee and mailed by the Secretary to the membership at least 11 weeks before the Annual Meeting will be held and shall include an invitation for nominations by members of the Section at Large. Such nominations must be made in writing and must be signed by ten Fellows, Senior Members or Members and shall reach the Nominating Committee not later than 4 weeks before the day on which the Annual Meeting will be held.

5.2 The Nominating Committee shall prepare a ballot which shall contain the names of all candidates nominated by it and by others. This complete ballot must be in the hands of the Secretary not later than 3 weeks before the day on which the Annual Meeting will be held.

5.3 The Secretary shall mail to the Section Membership the ballot as received from the Nominating Committee not later than 2 weeks before the day on which the Annual Meeting will be held. Nominees of the Nominating Committee shall be identified as such on the ballot. Section Members shall complete ballots so that same will reach the Secretary not later than three days before the Annual Meeting.

5.4 When a letter ballot is required the Chairman of the Nominating Committee shall appoint a Tellers Committee, the members of which shall not include any nominee for office in the election. It shall be the duty of this committee to count the votes and report the results of the count to the Nominating Chairman before the start of the Annual Meeting.

5.5 Each nomination shall have the written consent of the Nominee. No other nominations will be accepted.

5.6 If there should be one Nominee only for each office a letter ballot may be dispensed with, notwithstanding the provisions of this Article and Article 1.2.

ARTICLE 6 - GENERAL

6.1 Ten percent (10%) of the voting members, but in no case less than 15 members, shall constitute a quorum at any meeting at which a vote is required.

6.2 The Chairman shall be the official delegate of the Section to any meeting at which general Section business is the prime purpose of the meeting. In the event of the Chairman's absence or inability to attend, his place shall be filled by an alternate delegate designated by the Executive Committee.

6.3 The fiscal year of the Section shall terminate April 30th.

Dear Miss Sirjans:

We are currently gathering information for inclusion in our annual section publication, the "Contact", and wish to complete our listing of past Chairmen of the Section, including those from IRE and AIEE days. We would also like to include the dates of the terms they served. Unfortunately, our records of the early IRE and AIEE operations in the Vancouver Section are not as complete as we would like. Could Headquarters supply such a listing, possibly by the 13th of October? A copy of our listing to date is enclosed.

Any assistance you can give us will be greatly appreciated.

Many thanks.

Yours very truly,

Nigel C.A. Smith-Gander,

Mr. Arthur H. Gregory

Vancouver, B. C., Canada

Dear Mr. Gregory:

We are pleased to advise you that on September 6, 1950, the Board of Directors approved the establishment of the Vancouver Section of the Institute of Radio Engineers, to include the Province of Saskatchewan, Alberta, British Columbia and the Yukon Territory.

As soon as you have elected officers, we would like to have their names and addresses for our records and for the listing of your Section in the PROCEEDINGS.

A supply of Section material, including stationery, meeting notice signs, and application blanks is also being forwarded to you.

The Board of Directors and the National Headquarters are constantly seeking ways and means by which they can improve their service to the members. I sincerely hope that you will get in touch with Headquarters, your Section officers, and your Regional Director about any problems that come to your attention.

Very truly yours,

Emily Sirjane

Dear Mr. Gregory:

With reference to your letter of July 4, 1950, enclosing the petition for the formation of a Vancouver Section, and my reply of July 6, you will note that I stated in the last paragraph of my letter that we expected to submit the petition to the Executive Committee for approval at the August meeting.

Since there will be no Executive Committee meeting in August, the petition will be submitted to the Board of Directors at the meeting on Wednesday, September 6, for formal approval.

As all necessary requirements have been met and the petition is in order, I feel sure that the Board will approve the petition, and suggest that you go ahead with your plans. Immediately after the meeting of the Board, we will advise you of the action taken.

Very truly yours,

George W. Bailey

Dear Mr. Gregory:

Thanks very much for your letter of July 4, 1950 (a very appropriate date), enclosing a petition for the formation of a Vancouver Section, bearing thirty-five signatures. We are all delighted that you are organizing this new Section and wish you luck.

The petition will be duly processed, and you will be advised by Miss Sirjane, Office Manager, of further details necessary to complete the procedure.

We expect that it will be possible to submit the petition to the Executive Committee for approval at the August meeting, which will be held the first or second week of that month.

Very truly yours,

George W. Bailey

Institute of Radio Engineers Incorp.,

Attention: Mr. G. W. Bailey,
Executive Secretary.

Dear Sirs:

On behalf of a group of Members, and future Members, of The Institute of Radio Engineers, I am pleased to submit herewith a Petition bearing thirty-five signatures. Twenty-one of these are Members of the I.R.E. and the balance are signatures of applicants for Associate Membership, with the exception of signature No. 25 (M. E. Saunders) who submitted an application approximately six weeks ago direct to Headquarters for membership.

Enclosed herewith are thirteen applications for Associate Membership, eleven of which are accompanied by money orders for $13.00 each in U.S. funds, and two of which have attached money orders for $3.00 each to cover the admission fee only. We have placed an asterisk against the thirteen signatures on the Petition to indicate that these have been made by applicants for Associate Membership.

In a recent discussion with Dr. F. E. Terman, he indicated that signatures of applicants for Associate Membership would be satisfactory in lieu of signatures of existing Institute Members, providing their application forms complete with admission and first year dues were submitted with the Petition.

Names 31 to 35 have been typed on the Petition and we have attached to this Petition supporting signatures of numbers 31, 34, and 35, indicating that they wished their name to be included in the Petition.

Frederick Neveroski (No. 32) and Maurice W. Fitzgerald (No. 33) forwarded their applications for membership to me by mail before going on holidays. Rather than hold up this Petition we have included their names on the Petition and can obtain letters supporting this Petition from them if this is deemed necessary.
We have received indications from another ten to fifteen persons interested in the radio field that will join the I.R.E. after a Local Section has been formed.

We would appreciate your acknowledgement of this Petition at your earliest convenience, along with an indication as to how soon we may expect approval for the formation of this Section by Headquarters.

Yours very truly,

Arthur H. Gregory

Dear Sirs:

We, the undersigned, Members of the Institute of Radio Engineers of Associate Grade or higher, submit herewith a petition for the formation of a local section to be known as the "Vancouver Section" of the Institute of Radio Engineers. It is proposed that the territorial limits of the Vancouver Section include the Provinces of Saskatchewan, Alberta, British Columbia and the Yukon Territory.

Attention: Miss Emily Sirjane,
Office Manager.

Dear Sirs:

We wish to acknowledge your letter of July 7th, 1950, concerning our recent Petition.

We wish to advise that the territorial limits for proposed Vancouver Section were suggested sometime ago by Mr. F. H. R. Pounsett, and a copy of this letter is being forwarded to his attention so that this matter may be discussed with Mr. C. Graydon Lloyd and a letter forwarded to Headquarters indicating their agreement to the proposed territorial limits for the Vancouver Section.

At a meeting held sometime ago with Dr. F. E. Terman, Dr. H. J. McLeod, B. R. Tupper, and D. D. Carpenter, the Constitution for Sections was discussed. It is the intentions of the proposed Vancouver Section to abide by the Constitution for Sections. In view of the difficulty in contacting all Signees of the Petition, please advise if the above statement will be sufficient or whether it will be necessary to forward a letter containing several signatures.

I trust that you will hear shortly from Mr. Lloyd and Mr. Pounsett and that you will be able to present our Petition to the Executive Committee for approval.

Yours very truly,

Dear George:

I am very glad to see that the Vancouver Section have submitted their petition and that they will probably be accepted before very long.

I see by a copy of a letter from Mrs. Sirjane that the approval of the Regional Director is necessary to transfer the Provinces of Saskatchewan, Alberta, British Columbia and the Yukon Territory from the Toronto Section to the Vancouver Section. With this I concur and I have contacted the Toronto Section Chairman, T.I. Millen in order that there be no delay due to the transfer of the Section Executive here in this matter.

Yours very truly,

Dear Professor Wang:

Congratulations! On behalf of the IEEE Regional Activities Vice President, Pedro Ray, and IEEE Technical Activities Vice President, Peter Staecker, it is a pleasure to inform you that the requirements of the RAB Operations Manual have been met, and the IEEE Vancouver Section – Signal Processing Society Chapter - has been formed. The effective date of this Chapter formation is 8 May 2007.

At this time, we are recording you as the Chapter Chair. When an election has been held, please report the name and member number of the new Chapter Chair to the IEEE using the online Officer Confirmation form at http://www.ieee.org/scsreports. Valuable information regarding IEEE Society Chapters can be found at www.ieee.org/chapters. If we can assist you in any way in the planning of the Chapter activities, please let us know.

We extend our best wishes for the successful operation of this Chapter.

Mr. Larry Bell, Chairman

Dear Mr. Bell:

I am pleased to learn that Barry Ward, a member of your organization has been elected Chairman of the Vancouver Section of the IEEE.

The Institute depends upon its Sections, and upon the leaders of the Sections, to implement the goals and objectives of the IEEE within the geographical units which are established throughout the world. We feel sure that the experience gained as Chairman of this Section in the coming term will directly enhance Barry's value to your organization.

The Board of Directors joins me in expressing our appreciation for your support of IEEE activities and to Barry Ward for managing the activities of the Vancouver Section in the coming year.

Enclosed is an IEEE membership brochure. I will be glad to answer any further questions you have concerning the Institute and its activities.

Sincerely,

REV. 10/84
REQUIREMENTS TO CHANGE THE STATUS OF AN EXISTING CHAPTER

The status of an existing Chapter may be changed from single to joint, or vice-versa, or from one joint combination to another without submission of a petition. The change in status will become effective following approval of the change by the Regional Director, the Society Presidents, the Section Executive Committee and other entities involved.

1. A written request, with full details on the proposed change in Chapter status, shall be submitted by the Section Executive Committee to:

IEEE - Field Services Department
445 Hoes Lane, P.O. Box 1331
Piscataway, New Jersey 08855-1331 USA

The above request will be accompanied by advice on the name and address of the Organizer of the restructured Chapter who will act as its Chairman.

2. Action will be taken by the Field Services Department to obtain approval of the change in status by those concerned.

3. When the necessary approvals have been received, the Section Chairman, the Chapter Organizer, the Regional Director and the Presidents of the Societies concerned will be so notified.
