Dear IRE Board Member:

The Joint Committee for Consolidation met in Dallas on January 20 as scheduled. It was a most productive and successful meeting which enabled us to develop a draft of "Principles for Consolidation." I enclose a copy of this for you and within a few days one of the IRE members of the Joint Committee will telephone you to report more fully on our meeting and to obtain your criticisms and suggestions on the statement of principles.

Sincerely,

PEH/nj

Gentlemen:

I enclose a copy of the draft of Principles for Consolidation as I dictated them Sunday following our meeting and as revised subsequently to incorporate Warren Chase's suggestions. If you have any comments please do let us know.

I have forwarded a copy to Mr. Hibshman in accordance with Warren's request. I have also sent a copy to George Bailey and a copy to each of the IRE Directors with a brief transmittal note, a copy of which is also enclosed, advising them of our plan to contact them by telephone.

Sincerely,

PEH/nj
