Dr. Samuel Sheldon,
#198½ Schermerhorn Street,
Brooklyn, N. Y.

Dear Dr. Sheldon:-

Referring to your telephone message this morning, I find that the A. D. T. Company, which handled the delivery of all our Institute Transactions for 1910 in Brooklyn, returned the package addressed to you on August 14th, 1911, presumably for the reason that your house was closed at that time and delivery could not be made. We are therefore sending the volume again to-day.

Very truly yours,

FLH/L

Acting Secretary.
