Dear Mr. Hutchinson:-

Will you please send me the necessary papers for an application for transfer from Member to Fellow.

If my own signature to the paper is not required, and if this letter will answer the same purpose, you might, to save time, fill it out for me and insert as references the following: Elihu Thomson, Edward Weston, Gano Dunn, C. O. Mailloux and John F. Kelly. All of these gentlemen have permitted me to use their names.

Yours truly,

Carl Hering

Mr. F. L. Hutchinson,
Secretary, A. I. E. E.,

Dear Mr. Hutchinson:-

Accept my thanks for your favor of the 10th, enclosing application blank for Fellow. I herewith return it duly filled out. Please note that in addition to the five names that I sent you by letter I have added a sixth one, Prof. Crocker, as I have since received permission from him to use his name.

I had originally intended to refer only to past Presidents, but not hearing from Prof. Crocker or Mr. Martin, I concluded they were out of town and I therefore did not wait. If there is no objection to including all six names I would prefer it, but if only five are used in the published list, then please substitute Prof. Crocker's name for that of Dr. Kelly, and if I should soon hear from Mr. Martin, I may ask you to substitute his name for that of Mr. Mailloux, merely for the sake of following my original principal of referring to past Presidents.

Trusting the blank is properly filled out, I remain,

Yours very truly,

CH:AR.
