Board of Directors, American Institute of Electrical Engineers.

Dear Sirs:

I hereby apply for transfer from the grade of MEMBER to that of FELLOW under the Special Section of the Constitution, adopted May 21, 1912.

My age is 52 years.

I consider myself eligible for transfer under Clause(s) a, c, d, Section 4, of the Constitution.

The specific work upon which my application is based covers a period of over 25 years.

It includes all kinds of professional work: - "responsible charge" and direction of electrical work in over 800 "jobs" ranging from 50 to 25000 Kvo. or more. Special designing of apparatus and machinery, in hundreds of cases; original inventions made at least 700; patented, over 30, of which several were basic including the circuit breaker, the booster for D.C. circuits, the non-differential arc-lamp for D.C. etc. iron-clad multipolar street-car motor, etc.; expert work, testimony, reports, arbitrations, etc. etc; over 1000 cases; original papers, articles, etc; several dozen.

(In the above space the applicant should state briefly the nature of the work upon which he bases his application.)

In compliance with the constitutional requirement, I give the names of the following references to be communicated with by the Secretary, as indicated upon the back of this form.
