Mr. Nelson S. Hibshman  
American Institute of Electrical Engineers  
345 East 47 Street  
New York, New York

Dear Nelson:

Replying to your letter of October 18, this will confirm our telephone conversations on the three points.

First, I anticipate that the IEEE emblem will be selected and approved by the Merger Committee at its meeting of October 31, and it will probably take us several weeks thereafter to get a finished drawing for reproduction purposes. If, in the meantime, there is urgent need for printing forms, etc., I have no objection to the use of the letters "IEEE" in block letters.

Second, it is agreed that the IRE PROCEEDINGS will carry an announcement, in the December issue, of the Winter General Meeting. It is further agreed that the IRE Sections in the area bounded by Boston, Pittsburgh, and Philadelphia will be requested to carry a notice of the Winter General Meeting in the December issues of the Section publications.

With respect to the IEEE Convention in March, it is agreed that a notice announcing this Convention will be sent to the complete IEEE membership list sometime toward the middle of January.

Best regards,

Donald G. Fink  
Secretary
