Dear Mrs. Duffy:

Enclosed is the newsletter for circulation to the members of the PGRFI together with an assessment notice. If there is any question about the contents of the newsletter, please feel free to contact me at Fieldstone 7-3600, Extension 2475.

In addition to the members of the group I would like to send copies of this newsletter to about 20 additional people. However, their names and addresses are not available at the moment. Therefore, in order not to delay the mailing of the newsletter any longer, I am sending in the copy and will send the additional names and addresses as soon as possible.
