Dear Mr. Kant:

In accordance with your letter of December 26th, the PGRFI Newsletter has been duplicated and distributed as per the copy attached. We have extra copies on hand for the additional names you expect to furnish to us.

I would suggest we make up a zinc plate which can be used for PGRFI Newsletters. Enclosed are some samples, and if you will select the one you like we will have it made up. The cost will be around \$10.00.

Sincerely yours,

Gene B. Duffy
