My dear Dr. Houston:-

We are mailing you to-day a registered package containing your Past-President's badge. As you are aware, the Past-Presidents' badges were presented to all Past-Presidents who were present upon the occasion of the Reception of the Institute, held February 28th, an account of which was published in the April issue of the Proceedings.

The badges of the Past-Presidents who were not present at that time have been held here until now, as it was planned to present them at the Annual Meeting which was held the evening of the 16th inst. As you were not present at that meeting, we are, therefore, forwarding the badge to you.

Yours truly,

Secretary.

My Dear Mr. Pope:

Kindly express to the Board of Managers my thanks for the very beautiful Past-President's badge received yesterday per registered package.

I had understood that a presentation of the same was to have been made at the meeting of the Philadelphia branch, but this disposition of the matter is quite satisfactory to me.

Very sincerely yours,

Edwin J. Houston
