Dear Mr. Haggerty:

Thank you for your letter of October 25, 1961.

I welcome the opportunity to work with Dr. Weber on developing recommendations for merging the respective technical organizational units of IRE and AIEE, and will await Dr. Weber's call to arrange a prompt meeting date.

Sincerely,

Hendley Blackmon

Nelson: Mr. Haggerty's invitation was all news to me, but I am glad to try to help. Assuming you are agreeable, I'd like to swap a few ideas with you before I pow wow with Dr. Weber. So I'll be in touch with you. Regards.
