Mr. D. N. Purandare

Dear Mr. Purandare:

We have received your letter of September 20, 1978 addressed to Ms. Anna O'Connor, Administrator of Section/Chapter Services in which you request approval to establish a Computer Chapter in the Bombay Section.

A review of the 14 signatures on the petition reveals that there are only nine signatures of higher grade members and the other five are students. As you know, the IEEE Bylaws require a minimum of 12 signatures of higher grade members to petition for Chapter establishment. However, our records indicate that there are 51 members of the Computer Society in the Bombay Section. Therefore, I am recommending that the Regional Director and the President of the Computer Society waive the requirement of 12 signatures and approve the establishment of the Chapter. This will be the first Chapter of the Computer Society to be established in India.

As soon as we receive an affirmative reply from Mr. James Vasseleu, Region 10 Director and Dr. Merlin Smith, President of the Computer Society, we will record the Chapter as established and notify you immediately. I note that you have not indicated the name of a person to act as interim Chapter Chairman until official elections have been held. In order to complete the record of the new Chapter, we would appreciate receiving the name of the person who is to act in this capacity.

If there is any other way in which we can be of assistance in the formation of this new Computer Society Chapter, please let me know.

Sincerely,

Robert K. Asdal

   Dr. Merlin G. Smith, President of the Computer Society

From: Robert K. Asdal

Date: October 25, 1978

Subject: Petition to establish a Computer Chapter in the Bombay Section

A petition to establish a Chapter of the Computer Society in the Bombay Section has been presented to us by Mr. D.N. Purandare, Vice Chairman of the Section. The petition is supported by signatures, nine of which are higher grade members and five of fourteen members are students.

The Computer Society currently has 51 members in the Bombay Section. We are recommending that you waive the usual IEEE Bylaw requirement of a minimum of 12 signatures of higher grade members to establish a new Chapter. At the present time, there is no other Chapter of the Computer Society in the All-India Section.

Please indicate on the form below that you waive the IEEE Bylaw requirements of 12 signatures of higher grade members of the Computer Society to establish the Chapter and that you approve the establishment of this Chapter in the Bombay Section.

As soon as I receive your approval, the Chapter will be recorded as established.

( ) I approve the waiver of the IEEE Bylaw requirement of 12 signatures of higher grade members of the Computer Society to establish a Chapter of the Computer Society in the Bombay Section.

( ) I do not approve the establishment of a Chapter of the Computer Society in the Bombay Section because
