Dear Nelson:

This is a partial answer to your note of May 5. I have two of the items you request, so I thought I'd shoot them off to you without delay.

The 1961-62 AIEE ORGANIZATION MANUAL is courtesy of Una Lennon. They seem to be as scarce as hen's teeth around here, but thanks to Una we didn't need to xerox the single copy we could at first locate.

The latest addresses we have for Linder, Teare, Greene, and Hill are enclosed. They all look rather familiar, so I doubt that they've changed recently. Mr. Pratt is wrapped up in rebuilding an organ, so he doesn't seem to be answering his mail in his usual prompt manner.

I'll write you again shortly regarding the other matters in your letter. Things are a bit hectic here since our main printer has been closed down by a strike. We're uncertain what will happen to three issues of the PROCEEDINGS and several issues each of 14 TRANSACTIONS that are currently being processed by this printer.

Most sincerely,

W. R. Crone
