

American Institute of Electrical Engineers *Central Illinois Section*

presents

G. L. WELCH

Mid-western Regional Engineering Manager
Westinghouse Electric Corporation

Speaking On

"ATOMIC ENERGY"

MR. WELCH

a native of Duluth, is an engineering graduate of the University of Minnesota and joined Westinghouse in 1943. He held various positions of responsibility in East Pittsburgh, Pennsylvania, Milwaukee, Wisconsin, and Chicago before assuming his present assignment. The mid-western region of Westinghouse covers all or parts of nine states in an area west and south of Lake Michigan.

THE SUBJECT

Mr. Welch will discuss atomic energy for commercial use. A color movie on this subject will be shown.
