May 24, 1932.

Mr. G. G. Carpenter,
Editorial Department,
American Institute of Electrical Engineers,
33 West 39th Street, New York, N. Y.

Dear Mr. Carpenter:

As requested, I am enclosing a photograph, together
with a brief record of my experience.

Sincerely yours,

A handwritten signature in cursive script, appearing to read "W. H. Harrison". The signature is written in dark ink and is positioned below the typed name "Sincerely yours,".

Enclosure:

Photograph
and record.

WHH-EHB

WILLIAM H. HARRISON.

Plant Engineer, American Telephone and Telegraph Company. Mr. Harrison entered the Bell System in 1909 as a repairman for the New York Telephone Company. In 1915 he became engaged in circuit design work with the Western Electric Company and in 1918 joined the staff of the American Telephone and Telegraph Company. He was made Equipment and Building Engineer in 1924, Acting Plant Engineer in 1928 and Plant Engineer in 1929.
