Dear Nelson:

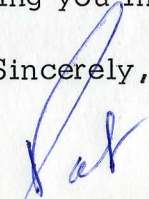

I was very interested to read your letter of February 23 regarding the publication of the IRE-AIEE merger history.

Unfortunately, I am going to be tied up in meetings almost the entire week, Nelson, and then will be out of town until March 11. That being the case, I cannot give this subject the thought it requires and let you have my comments in writing before the March IEEE Convention.

I will be glad to meet with you and Haraden during the convention, of course. I shall be staying at the New York Hilton, arriving the evening of the 18th and leaving on the 21st. Please give me a call there and we can arrange a time and place to meet.

I shall look forward to seeing you in New York.

Sincerely,

  
P. E. Haggerty  
Chairman
