Dear Reed:

I find that I will be able to attend the History Committee meeting on Friday January 5, 1968 at 2:00 PM. I will come to New York on Thursday afternoon and spend the morning of Friday in the office looking for such material as I can find there.

In that connection, it might be helpful if you were to ask Paul Sauerhoefer ( if he is still in charge of inventory) to get out the five boxes of my files , which should be at 46th Street. If he will get them out on a table, I will go there and rummage through them . I don't think there is too much of value there, but what there is will save f some work on the part of your office and Don's in assembling material for the project.

Sincerely,
