Dear Nels:

In my recent letter I reported that I was sending you the AIEE Board minutes you had requested from your storage boxes. I overlooked the fact that, in your letter of February 6, you said you should have them from 1940 on. What was sent to you was from January 1960 to the end, the starting date you had originally mentioned.

I'm asking that the minutes from 1940 to 1960 be sent to you. This letter is thus by way of explanation that the first batch you get will be very incomplete.

Most sincerely,
