Dear Nelson:

I have been somewhat remiss in not answering your letter of February 15th, which advises me that, as a member of the History Committee, you are attempting to collect material for a comprehensive history of the merger of AIEE and IRE.

I have been studying your outline and feel that one of these days I will have some comments which might be of help to you, and, as soon as possible, I will be in touch with you.

I hope that you and Mrs. Hibshman are reaping the rewards of a very active life, and that you are as active in retirement as you were in your work-a-day life.

Please give my regards to Mrs. Hibshman. One of these days, I may be in St. Petersburg, and will certainly give you a call.

Cordially and sincerely,

*Warren*
