Mr. N. S. Keith,
350 Bullitt Building,
Philadelphia, Pa.

Dear Sir:-

Referring to our previous correspondence with reference to the non-receipt of your copy of the 1917 Transactions, I am enclosing herewith the return receipt from the Post Office from which you will note that they claim to have delivered the book to a Mr. Hillpot on June 10, 1918. I trust that this information will enable you to locate the volume, in which case I shall be glad to receive your acknowledgment.

Very truly yours,

R. Hutchinson

Secretary.

Must have been received,

Keith.
