Dear Mr. Henline,

My brother Harris A. Dunn and I and our family are greatly appreciative of your letter of April 27th. conveying the sympathy to us in the passing of our brother Gano, of your Board of Directors .

The Board's resolution giving his record as a member of your Institute is exceptionally appreciated, because, while within the family we knew of many of his activities, yet because of his modesty he rarely spoke of them. It is only now, that his death has brought them to light, that we have really known how varied and World wide his interests were.

Thank you indeed for your kind letter.

Sincerely,
