Dear Nelson:

I'm hurrying to answer your letter of August 26 before leaving on a two week vacation. You mentioned the AIEE BofD minutes of 5/29/45 might be interesting, but I haven't been able to locate a copy. Perhaps your bound volumes are the only ones?

I found the IRE minutes strangely silent on joint student branches. I enclose copies of everything I found in the 1945-47 period. Note that an IRE Branch was founded at Northwestern before Illinois, but the first mention of an actual joint AIEE-IRE Branch was the one at Carnegie.

Membership has Hendley Blackmon's address as the same as that in the Directory.

Most sincerely,

W. R. Crone
