Dear Mr. Chase:

You no doubt will be interested to learn that at District 15 Executive Committee Meeting on October 27 and the Student Branch Committee Meeting on the 28th, the proposed merger of AIEE with IRE was unanimously endorsed. The Counselors were greatly pleased, as they believe it will help them tremendously with the Branches.

I can assure you that all of the officers in the 15th District will work toward obtaining the two-thirds vote on the merger, as you suggested.

Very truly yours,

P. G. WALLACE

Vice President AIEE
District 15
