Dear Nelson:

I haven't yet made much progress in obtaining the material regarding the merger that you requested. I was out of the office most of last week, and this week Don Fink, who was going to give me some leads (particularly regarding similar material Mr. Pratt requested), has been out with the flu.

Andy Anderson is obtaining the material from your storage boxes, and I'll forward this on as soon as it's available. In the meantime, I'm enclosing a copy of the merger "town meetings" held at the 1962 Winter General Meeting and at the March 1962 International Convention. Also included are two items referring to IRE-AIEE Cooperation in 1960 which may be of interest.

Best regards from the land of garbage.

Most sincerely,
