Mr. Charles Layng, Expert
Antitrust Division
Department of Justice
Washington, D. C.

Dear Mr. Layng:

Since talking to you last concerning the E. G. Constan
matter (Re: Swiss National Railway and Transportation Facilities
in Northern Italy), I have again contacted Washington and am
unable to get any further word from Levi on this matter.

I have sent one wire and three letters to Washington
on this matter, and have received no replies to date. I think
it will be best, therefore, for me to contact Mr. Constan again
as I fear he will be leaving Denver most any day.

The purpose of this letter is to inquire if you have
any specific questions or problems that you would like for me
to discuss with Mr. Constan. Regardless, however, I would
appreciate receiving from you a suggested line of questioning
on transportation facilities in general so as to better guide
my discussion with Mr. Constan. A reply at your earliest con-
venience will be appreciated.

Sincerely yours,

JAMES M. I. HENDERSON
Chief, Mountain States Office
