Dear Nels:

I have followed through on Haraden Pratt's letter to me of January 24, a copy of which he sent to you. Reed Crone is working on a search of the AIEE, IRE and IEEE Directors and Executive Committee minutes. Also, I have told Haraden that Chuck Savage has sent you quite a bit of file material, including the material mentioned in Haraden's last paragraph which was prepared by Clarence Linder. If there are other gaps in this material that need further search, let me know. Also, if you have the answers to some of Haraden's questions, let us know so that we don't search too far for them!

Best regards,

Donald G. Fink
