Dear Mr. Marshall:

In your letter of August 30, you advised that the New Jersey Coast Section Executive Committee recommended dissolution of the Joint Reliability/Parts, Hybrids & Packaging Chapter due to lack of sufficient member interest in Chapter activities.

In response to this letter, we sought the approval of those concerned with the Chapter dissolution. Mr. Joseph J. Naresky, President of the Reliability Group, has advised that he does not approve the Chapter dissolution and that an attempt would be made to reactivate Chapter activities.

We will appreciate your advise on (1) the program developed for activities, (2) the names of the Chapter officers, when elected, or (3) whether or not your efforts to revitalize the Chapter are successful.

If we can assist in any way in planning Chapter meetings and events, please let us know.

I believe that the official "presentation" of the Section Charter now rests in your hands. I am today asking Miss Ronnie Lewis, of Miss Sirjane's Staff, to get in touch with you concerning the formalities of the "presentation".
