<i>Subject</i>	IEEE Milestone Plaque	<i>Contact</i>	Carey Batenburg- Eindhoven

Dear Dr. Nisenoff,

The Board of Leiden University has discussed your proposal for an IEEE Milestone Plaque commemorating the discovery of superconductivity by Heike Kamerlingh Onnes on April 8th 1911.

The Board declares that the University will accept and maintain the IEEE Milestone Plaque commemorating the discovery of superconductivity and gives permission to have the plaque mounted at an appropriate site in or on the former Kamerlingh Onnes Laboratory, which is mutually acceptable to both organizations.

Yours sincerely,

A large, stylized handwritten signature in black ink, consisting of a large loop and a horizontal stroke.

Drs H.W. te Beest
Vice President of the Executive Board
