Dear Sirs,

I have the pleasure to forward to you the forms containing signatures of 57 IEEE members for applying to form an IEEE section in the Hashemite Kingdom of Jordan. The proposed name of the section is "Jordan Valley Section". This name has been suggested during the last IEEE Power Electronics Society Workshop held in Amman 18-19 May 1999. A second alternative would be "Jordan Section" in case the proposed name is not in line of the IEEE usual custom of naming sections.

I am writing to you on behalf of the preliminary committee of the proposed section, who helped in collecting signatures of members spread over the whole country.

Waiting to receive your answer
