

AMERICAN INSTITUTE OF ELECTRICAL ENGINEERS

CENTRAL ILLINOIS SECTION

TO ALL MEMBERS OF THE EXECUTIVE COMMITTEE:

Attached is a listing of the executive committee for the 1956-1957 season.

The first meeting of this Committee is scheduled for Tuesday evening, June 19, 1956, at 7:30 P. M. at the Illinois Power Building, 134 E. Main St., Decatur.

The main purpose of this meeting is to select committee members. It is extremely important that this be done as quickly as possible in order that our plans for the coming year may be formulated. I would like to urge all of you to make a special effort to attend this meeting and would appreciate hearing from you in this regard.

It would expedite this organizational meeting considerably if the Committee Chairman would do some advance work in the selection of their committee members, bearing in mind that our meetings will be split approximately as follows: 4 in Decatur, 3 in Springfield and 2 in Urbana.
