

Some Possible 9-Man Committee Topics

1 - Divisions

a) PTG Divisions

b) TC Divisions

c) IEEE - single set of common Divisions

(Orientations include: Systems; Hardware; Applications; Technology (engineering); Basic Science (and general fields broad interest to other Division); Science; Field of use; Incubator ("hot bed" stay until decide keep or not; easy way, set up new committees and encourage getting into new technical fields.)

2 - IEEE Technical Organization - Single vs. Parallel structure.

3 - IEEE Standardization Organization

4 - IEEE Publications - especially as related to PTGs and TCs during (a) transition period; and (b) after transition period.
