# American Institute of Electrical Engineers,

WHITE BUILDING, 95 LIBERTY STREET.

RALPH W. POPE,  
SECRETARY.

TELEPHONE 2199 CORTLANDT.  
CABLE ADDRESS, CYANDRIC.

Mr. N. F. Brady,  
57 Duane Street, N.Y. City.

NEW YORK, March 21st, 1904.

Dear Sir:

An application for transfer to membership in the Institute has been filed by.....

Mr. Philip Torchio of New York City

who has referred to you as one who is familiar with his work.

For the information of the Board of Examiners and the Board of Directors will you kindly reply to the following inquiries:

Very truly yours,

Secretary.

For how long a period have you personally known the applicant?

About five years.

Kindly state instances within your personal knowledge of Electrical Engineering work; Or, of important original work of recognized value to electrical science, performed by the applicant, and your opinion of same

Mr. Torchio is the Engineer of Distribution of The New York Edison Company, and as such has charge of technical work of the greatest importance from the construction as well as the operating side. He has also been called in consultation in connection with electrical construction work for a number of affiliated Companies.

Kindly give your opinion of the character, reputation and professional conduct of the applicant.

Mr. Torchio's character is above reproach; his reputation and professional conduct are of the highest character.

Signed

In order to avoid unnecessary delay in considering this case, please return this form before March 31st.

Good opinion Philip Torchio

Dear Sir:

An application for transfer to membership in the Institute has been filed by.....

Mr. Philip Torchio, of New York City,

who has referred to you as one who is familiar with his work.

For the information of the Board of Examiners and the Board of Directors will you kindly reply to the following inquiries:

Very truly yours,

Ralph W. Pope.

Secretary.

For how long a period have you personally known the applicant?

About ten years

Kindly state instances within your personal knowledge of Electrical Engineering work; Or, of important original work of recognized value to electrical science, performed by the applicant, and your opinion of same

I have often met Mr. Torchio and discussed professional matters with him; have also observed his work and read papers written by him. In my opinion his experience and record are such as to qualify him for full membership in the Institute. He has occupied an important and responsible position in a creditable manner.

Kindly give your opinion of the character, reputation and professional conduct of the applicant.

So far as I know his character, reputation & conduct are excellent

Signed

Francis B. Crocker.

NEW YORK,

March 21st, 1904.

Dear Sir:

An application for transfer to membership in the Institute has been filed by.....

Mr. Philip Torchio, of New York City.

who has referred to you as one who is familiar with his work.

For the information of the Board of Examiners and the Board of Directors will you kindly reply to the following inquiries:

Very truly yours,

Secretary.

1. For how long a period have you personally known the applicant?

Since 1893.

Kindly state instances within your personal knowledge of Electrical Engineering work; Or, of important original work of recognized value to electrical science, performed by the applicant, and your opinion of same

Mr. Torchio has been closely identified with the Engineering work of the N. Y. Edison Company during the past 10 years in several capacities & is now the Engineer of Distribution. He has done important Engineering work in the design & Equipment of Power Stations Annex Stations & High & Low Voltage Transmission & Distributing Equipment. His professional qualifications are of the highest.

Kindly give your opinion of the character, reputation and professional conduct of the applicant.

Have pleasure in heartily endorsing Mr. Torchio's application for transfer as his character & ability are most excellent.

Signed

Dear Sir:

An application for transfer to membership in the Institute has been filed by.....

Mr. Philip Torchio, ..... of ..... New York City,

who has referred to you as one who is familiar with his work.

For the information of the Board of Examiners and the Board of Directors will you kindly reply to the following inquiries:

Very truly yours,

Secretary.

For how long a period have you personally known the applicant?

Several Years.

Kindly state instances within your personal knowledge of Electrical Engineering work; Or, of important original work of recognized value to electrical science, performed by the applicant, and your opinion of same

I have met Mr. Torchio from time to time; I have been in conference with him on electrical engineering matters; I am familiar with material which he has presented in papers and discussions to the Institute. I am also conversant with the opinions held by others who have been brought in contact with Mr. Torchio's work. My estimate of him based upon these sources is that he is entitled by his ability and experience to full membership in the Institute.

Kindly give your opinion of the character, reputation and professional conduct of the applicant.

My opinion of his character, reputation and professional conduct are that they make him fully acceptable as a member.

Signed

In order to avoid unnecessary delay in considering this case, please return this form before March 31st.
